Harry *HHR200*

Harry was developed specifically for pet loving people, he has all the features of Henry with the same power, but there are two extra and important pet friendly features.

The MicroFresh activated charcoal odour retention filter, which will minimise the odour problems pets can create.

Harry also comes with the unique dual purpose HairoBrush which has excellent hair pick-up performance on both floors, and equally as a hand brush on upholstery and fabrics.

MicroFresh filter

HairoBrush

- **A Class**

Results obtained using ProFlo 290 Floor tool

HenryXtra *HVX200*

Henry Xtra and Henry Micro have all the features of a standard Henry and much more.

The Henry Xtra includes three floor nozzles, the ProFlo combination nozzle, a hard floor brush and the unique AiroBrush. The AiroBrush which provides a superb level of carpet care is ideal for cleaning up pet hairs. Henry Micro is ideal for dust related allergy sufferers as he has the exclusive MicroTex high efficiency filtration system, this system holds more of the smaller dust particles giving a cleaner result.

All the Henry features plus...

- **AiroBrush**
  Unique AiroBrush for superb carpet care.
- **Professional Accessories**
  Comprehensive full accessory kit XS1 with stainless steel tube set. (See page 23 for full accessories)
- **Tool Storage**
  On-board accessory storage, tools are always to hand.
- **A Class**
  Energy efficient, A rated.

Charles *CVC370*

If you need a machine for wet and dry use that is totally without compromise, then Charles is the vacuum cleaner for you.

Charles can be up to his neck in dust and dirt one minute and unblocking your drain or drying your floor the next. Incorporating our full Bypass AirFlo motor giving professional cleaning ability.

With big filters and disposable HepaFlo dust bags for dry use, a safety float valve for wet pick-up, and a comprehensive accessory kit included Charles is ready to tackle almost anything that comes along, wet or dry.

- **Bypass AirFlo Motor**
  Reliable, professional Bypass AirFlo vacuum motor.
- **Float Valve**
  Safety float valve for wet pick-up.
- **TriTex Filtration**
  TriTex filtration system improves filtration, cleanliness and capacity.
- **Carry Handle**
  Convenient carry handle.
- **HepaFlo Bags**
  Easy to change HepaFlo bags.
  NVM-2BH pack of 10 PN:604016
- **Professional Accessories**
  A tool for every job, full accessory kit A21A including a Lightweight aluminium tube set which will never rust.
  (See page 23 for full accessories)

George *GVE370*

A true “all in one machine” be it dry vacuuming, wet vacuuming, scrubbing and drying hard floors, deep cleaning the carpet, cleaning the upholstery or unblocking the sink George is your man.

When dry vacuuming you have big filters and a dust bag. In wet mode, a simple exchange of the dry filter for the safety float valve allows any number of wet tasks to be achieved.

When in carpet cleaning mode the tank within a tank system maintains the compact convenient size.

Extraction pick-up

Reversible scrub head

Reversible squeegee head

- **TriTex Filtration**
  TriTex filtration system improves filtration, cleanliness and capacity.
- **Carry Handle**
  Convenient carry handle.
- **HepaFlo Bags**
  Easy to change HepaFlo bags.

SprayMop HM40

The Henry (or Hetty) SprayMop combines all the real advantages of Microfibre floor mops and can be used dry or wet, with or without cleaning agents or disinfectant.

Our on-board liquid dispenser, foot or hand operated, ensures that the mop head can be maintained in a damp condition at all times allowing larger surfaces to be thoroughly cleaned without the use of a bucket.

Faster maintenance of hard floors.

Easy fill detachable spray bottle

Cleaning fluid dispenser

Microfibre machine washable flat mop

Optional Accessories

With each HomeCare model we have provided a comprehensive accessory kit to complement the machines function and performance.

HepaFlo Dust Bags

All HomeCare machines use our high efficiency, giant HepaFlo dust bags ensuring excellent performance and clean and simple emptying.

HepaFlo NVM-1CH 10 per pack (604015)
Fits all James, Henry, Hetty & Harry models.

HepaFlo NVM-2BH 10 per pack (604016)
Fits all Charles and George models for dry use only.

Filters

For HomeCare models there are optional filters to achieve a range of filtration requirements.

MicroFresh Odour Control Filter (604170) Not compatible with HVR / HET160.

The 3-layer MicroFresh filter system enhances filtration standards to 98% at 0.5 micron but equally important, it embodies a giant activated charcoal filter membrane sandwiched between twin TriTex filters, providing an effective odour control system for pet loving people!

MicroTex Filter (604311)
Not compatible with HVR / HET160.

This multi-layer high efficiency filter has been developed for the Henry Micro machine and when used in conjunction with the HepaFlo NVM-1CH dust bags (above) will upgrade the machine to the full British Allergy Foundation approval standard (Dry Use Only).

Brushes and Nozzles

AiroBrush Black (601227)
Unique AiroBrush for superb carpet care, fits all models.

HairoBrush (601228)
Unique HairoBrush for excellent pick-up of pet hair especially on furniture and stairs. (Harry).

MultiFlo 300mm (900918)
Hard floor brush.
